

Town of Small Point-Adams's Cove Seasonal Water - On-Off Policy

Policy # 001/2023

Date of inception: January 17, 2023

Amendments:

Seasonal Water On-Off Policy

The Town of Small Point-Adam's Cove will accommodate households which wish to disconnect from town water on a seasonal basis

The household wishing to have their water disconnected must fill out the Request for water off or on Form available on the website or from the town office and return it to the office directly or via email

The water will not be turned on/off until the connection fee of \$25.00 is paid and the homeowner or a representative is present

There is no charge for water shut off but the form must still be submitted.

The services can be requested Monday to Thursday during regular hours of any week except holidays. There is no fixed date for shut off, however ground must not be frozen such that it impedes the service as determined by the town Maintenance personnel.

The town clerk will arrange with maintenance to provide the service, individuals cannot request or pay for this service directly.

Only the town maintenance personal are permitted to operate the water shut off valves. The homeowner will be responsible for any costs incurred if valves are tampered with.

This regulation passed and adopted by council on

Date : 24/03/23
