Community Updates

Community Wildfire Prevention and Mitigation Program

The Town has submitted an application to the NL Community Wildfire Prevention and Mitigation program. As part of the nationally recognized FireSmart program, this grant is to help strengthen community-level preparedness. Activities could include mitigation initiatives, risk assessments, education and emergency planning, and vegetation management.

The application for the program is now closed, and the Town will eagerly wait for the results of the application.

St. Paddy's Day Concert

The luck of the Irish came to Salem Centre for a sunny afternoon of joy and dancing! The Shed Connection put on an amazing show. With stomachs full of Irish stew and homemade buns, people took to the dance floor for some dancing, including a conga line! Many cheers were had with Irish coffee and green punch, the place was on wheels! Thank you to everyone who came and celebrated together, it put a smile on a lot of familiar and new faces.

Thank you to the Social and Recreation Committee and all of the incredible volunteers for their hard work putting on such a fun event! Thank you to the Shed Connection for the music!

Nomination of Candidates - Town General Election

The Nomination of Candidates can be submitted to the Town Office on **March 19th and March 23rd**. Applicants must be 18+ years of age, a registered resident, and have no outstanding taxes or accounts payable to the Town. There is a \$10 deposit required for each nomination.
